**MEMORANDUM FOR: CORONA Section/OD/OSA**

**SUBJECT: Information Relative to Most Recent  
Target Display for CORONA Charts**

1. All of the targets displayed on the C boards are Highest Priority COMOR Targets.
2. The emphasis for target selection and decision-making should be given to those targets superimposed on a red or green dot.
3. The green dots representing known ICBM sites and the larger red dots representing targets of critical interest are all to be covered on a continuing basis.
4. The smaller red dots are of immediate importance and although repeat coverage is presently desired, they are subject to downgrading or deletion in the future.
